

Casement & Awning Windows

Prestige
Specialty Vinyl Replacement Windows

Two and three lite casements complement a variety of architectural styles

Prestige Casement & Awning Windows are packed with features that clearly emphasize performance, while improving the aesthetic appeal of any home. You don't have to settle for the ordinary. You deserve the spectacular Prestige Collection from Vinylmax.

Awnings and fixed lites showcase a spectacular view

At Vinylmax we purposefully and proudly label our products "Made in USA". This doesn't just mean that our factory is in the United States. It means our family is committed to sourcing virtually all of our components from other American manufacturing companies. Not only do we support hundreds of jobs in our local community, but also many thousands of jobs across the United States. Vinylmax makes your home a better place for your family, AND supports the livelihood of thousands of American families just like ours and just like yours.

STANDARD FEATURES

1. *Fusion welded frame and sash* corners are secure, weathertight and never pull apart.
2. *Multi-chambered vinyl frame and sash* are energy efficient, maintenance-free and last a lifetime.
3. *Beveled sash exterior* gracefully accents every architectural style.
4. *Double paned IntelliGlass high performance insulated glass* produces optimal energy performance.
5. *Intercept warm-edge spacer system* has proven seal integrity and conducts less heat and cold than other systems.
6. *Color-matched compression seals* are foam filled and create a water and weathertight seal around the entire opening on both the frame and the sash.
7. *Roto X-Drive operating hardware* effortlessly handles the weight of even the heaviest sashes with smooth, quiet operation.
8. *Sealed operator housing and protected gear drive* minimizes contaminants from affecting operation.
9. *Patented laser-cut gear teeth* are hardened for superior strength.
10. *Fold-down crank handle* subtly nests into the operator housing to prevent interference with window treatments.
11. *Sashes open a full 90 degrees* for both maximum ventilation and for cleaning both sides of the glass from inside the home.
12. *Multi-point locking system* secures the sash tightly into the frame in at least three locking locations.
13. *Sequential locking operation* assists sash pull-in for effortless locking of even the tallest windows.
14. *Single lever lock handle* actuates the locking system with an audible click to signify open/closed positions.
15. *Color Matched Screen* with concealed retention system and UltraVue excellent visibility screen mesh.

PHIFER
ULTRAVUE™

EXCELLENT VISIBILITY INSECT SCREEN

25% better airflow, allowing light, fresh breezes to flow through
25% more optical clarity for a crisper, brighter view

9

Prestige Casement & Awning Windows are a breeze to operate and clean. Our robust gear and aggressive tooth design allows windows to fully open with only seven turns of the elegant, fold-down handle. The sash opens 90 degrees to allow cleaning of both interior and exterior glass surfaces.

Prestige Casement & Awning windows proudly feature our IntelliGlass high performance glazing system. This efficient combination of Intercept® Warm Edge spacer system and ClimaGuard high performance Low E glass provides superb energy efficiency by reflecting heat back to its source. This keeps your home more comfortable year round. See our IntelliGlass brochure for more details.
